DISCIPLESHIP TRAINING SCHOOL COURSE DESCRIPTIONS

The Discipleship Training School (DTS) is an intensive Christian training course encompassing 11-12 week lecture/teaching with about 8-12 weeks practical field assignment. The DTS is designed to encourage students in personal character development, cultivating a living relationship with God and identifying their unique individual gifts and callings in God. Cross-cultural exposure and global awareness are special emphases throughout the course, preparing the students to reach current and future generations and answer the call to "Go into all the world and disciple all nations" Matthew 28:19.

DISCIPLESHIP TRAINING SCHOOL FIELD ASSIGNMENT

As a second phase of the DTS, specially organized teams are sent out typically for twelve weeks (minimum eight) of evangelism in cross-cultural situations. The emphasis is on the application of principles taught in the DTS lecture phase coupled with teaching on evangelism concepts and practices equipping students to share their faith using a variety of means. Special assignments are given during this course.

THE PURPOSE OF THE DTS IS

- 1. To GATHER and CHALLENGE** people to worship, listen to and obey God, releasing them (in the context of the DTS) to serve through evangelism, intercession, acts of compassion and other expressions of God's heart for the world, possibly even pioneering new ministries.
- 2. To INSPIRE and CULTIVATE** growth in one's relationship with God resulting in Christ like character, which is based on a solid Biblical foundation, the work of the Holy Spirit and the personal application of Biblical truth, especially concerning God's Character, the Cross and empowering Grace.
- 3. To SHARPEN** one's ability to relate to, learn from and work with people, including those of different cultures, personalities and perspectives.
- 4. To further EQUIP** each one to serve God's purposes either in or outside of YWAM Family of Ministries, strengthening a commitment to reach the lost, especially the unreached, to care for the poor, and to influence all areas of society.
- 5. To IMPART** the vision and foundational values of Youth With A Mission International as well as that of the host operating location and to provide information regarding a variety of opportunities for service.

DELIVERY OF TRAINING

The DTS will be delivered in a variety of ways to suit a variety of learning styles. There will be classroom lectures, guided group discussions, Bible studies and research projects, video, workshops and field training (which incorporates local and overseas ministry and outreach).

Besides lectures throughout the week, there will also be intercession and prayer, worship, devotions, small group discussion groups, individual mentoring times, general housekeeping responsibilities, personal studies and possibly some local outreach in the community. There will be some free time off every week. Weekends are normally free except for some minor duties and possible local ministry. All scheduled activities are a part of the DTS training so all participants are expected to be a part of all activities.

WHO ARE THE TEACHERS?

Resident staff, local pastors and ministers and visiting lecturers from different parts of the world, will provide teaching. Training videos of reputable, international speakers are used as well. All our visiting lecturers are experienced in their field of ministry.

WHAT HAPPENS ON OUTREACH?

The outreach phase will be 8-12 weeks in total and will involve teams working in Australia and also abroad. It provides a practical follow-through of the teachings given during the lecture phase, and it is an opportunity for students to experience first-hand God working through them and giving them a glimpse of missions. Not everyone is called to be an evangelist, but we are all called to do the work of an evangelist,

which essentially means sharing our faith with someone else. Some examples of outreach opportunities are: drama, music, church work, work with children or the elderly, Bible distribution, open air and friendship evangelism, house/prayer/hospital visitation, youth work, practical helps, etc.

ASSESSMENT METHODS

Assessment takes place throughout the duration of the course. The Course staff will evaluate your growth in the various outcomes of the course. Assessment methods and assignments may include the following. You may contact the YWAM Base for specifics for your Course.

Further details of actual assignments will be given during orientation. Study and homework will take around 2-5 hours per week, depending on the individual's learning characteristics and which assignments are due that week.

RECOGNITION AND ACCREDITATION

At the successful completion of the course students will obtain a Certificate III in Discipleship which is a recognized qualification within Australia with YWAM Training (Registered Training Organization #0449). YWAM's International training body, the University of the Nations (UofN), recognizes this course as a pre-requisite to all other training courses within the UofN. You may be awarded 19-24 credits towards a degree with the University of the Nations. Graduates may then go on to any other course within YWAM Training or the UofN or may apply for a staff position with YWAM worldwide.

The DTS is run in a number of locations around Australia and around the world. The accredited Certificate III in Discipleship (10802NAT) is a course offered by YWAM Training and delivered through partnerships in most Youth With Mission centres across Australia. These courses are seen with mutual recognition, meaning if you take the course in one location, it is also recognized in another YWAM base as the same course.

RESOURCES

Resources you will be required to bring yourself include a notebook and a Bible for study and assignments. Check with the YWAM Course Leader if you are required to bring a computer. We will provide you with the necessary books for book reports, access to the internet (if necessary for assignments) and other reference books. Classrooms, study rooms and equipment will vary depending on the week and topic of teaching. COURSE EXPECTATIONS

It is expected that students will uphold the requirements of the course, including the following expectations. If any issues arise we would prefer to address them casually and relationally. - finish with at least 11 weeks of lectures and 8 weeks of outreach
- meet academic course requirements (including all assignments)
- maintain Godly conduct in character and behaviour (see Code of Conduct)
- meet attendance requirements- The DTS is a full-time, live in course. One week is made up of up to 50 hours of activities. Full attendance is required for the completion of this course. This includes all scheduled activities during lecture phase, as well as local and overseas outreach.
- Meet at least 80% attendance
- Meet participation requirements- We expect that each student will participate in all activities, not just with their presence but by contributing to the learning experience. This includes being a part of group discussions, completing assignments, discussing what God is doing in their life with their staff, etc. This is to take full advantage of the training and the learning environment.
